2. New players will be rated as a 5. **If a non-listed player is known to both teams to be rated better than a 5, he/she should be so listed.** Notify AE Leagues in this case.
3. The list is to be approved by the captains prior to the start of the season and re-evaluated after 2 rotations. Corrections will be made accordingly:  
5 rating < 11.50 average 4 rating: 11.51-12.50 average 3 rating: 12.51-13.25 average 2 rating: 13.26-13.50 average  
1 or 0 rating: individual discussion
4. Higher partners' combined rating minus lower partners' combined rating is the spot that will be **marked up on the board at the start of each game.**
5. Team Standings are based on Won-Loss %. Tiebreaker is Most Total Points.  
If Most Total Poin are also tied, then duplicate awards will be presented.

**After 1 rotation, when a team in the Top 3 of the Current Standings plays a team lower than 3<sup>rd</sup> Place - the lower team will get to start each game with 1 Bonus Point (above the Player Rating Difference) on the scoreboard.**

If 2 or more teams are tied for 3<sup>rd</sup> Place; all tied teams will be considered as 3<sup>rd</sup> Place regarding the Bonus Point. It is only considered to be a tie if Won - Loss % and Most Total Points are identical.

6. **Maximum spot is 7 points / game, regardless of the difference in player ratings and bonus point.**
7. **Forfeit situation: non-forfeiting teams will be credited with 6 match rounds won; forfeiting team will be credited with 0 match rounds won. Each member of the non-forfeiting team will receive his/her average as their score. The forfeiting team members will not be credited with any points scored.**
