

# INTRODUCTION TO THE PLAYER SKILL RATINGS FOR AE DARTS

Date: December 2024

As always, Thank You for your participation in AE Dart Leagues! Here is the Player Skill Ratings System for our dart league that is modeled after the system that the N.D.A. put in place in 1997.

- **How will the PSR be used when registering for tournaments?**

**City Tournament Team Play:**

Your team will be rated with the average that you shot for that team if you have enough league nights with that team for tournament eligibility.

**City Tournament Specialty Events:**

We will use the highest average from any current league in which you have played at least 8 league nights. If you have not played at least 8 league nights in a current league your PSR will be used.

**Midwest Dart Championships:**

Your highest average from any league in which you have played 12 games during the qualifying period. If you have not played at least 12 games in one league your PSR will be used.

**NDA Team Dart:**

The N.D.A. will use your highest PSR from the past year for placement at their tournaments.  
All our stats are on file with the N.D.A. as required by the Association.  
All Vegas players must have a Player Skill Rating!

- **Will the PSR be used when registering for a new league or subbing on a team?**

Yes. The PSR (Player Skill Rating) will tell players their exact rating when it comes time to assemble teams for upcoming leagues if they want to fit under a certain Team Cap.

Certain divisions have a limit on how good subs coming in can be and to check on a player all we need to do is look at the PSR List.

- **How often will the PSR be updated?**

At the conclusion of every league that runs at least 8 weeks.

- **What requirements have to be met to be rated?**

You must play a minimum of 24 games in one season of one division (over at least 8 league nights) of a particular league type (301 OI-OO, 501 OI-OO or Cricket 200). **The HIGHEST Points Per Dart or Marks Per Round that you achieve will be your new Player Skill Rating for the next year.**

*Your Player Skill Rating will not decrease for 1 year from the date that it is established!*

- **How will a player whose name is not on the list be figured in?**

New players or players who did not play enough games to have a PSR will be figured in the old-fashioned way. AE Leagues has all of the old stats from previous leagues and players will be rated as accurately as possible.

Unknown new players will be figured at approximately: Male - 18.0 PPD and 1.8 MPR, Female - 16.0 PPD and 1.6 MPR.

- **Who do I call to find out a player's rating or get a question answered?**

The fastest way to find a players rating is to go to the AE League Web Site: [www.centralne.aeleague.com](http://www.centralne.aeleague.com)
